# Would you like to live in Boomtown, USA?

Over 100 concerned citizens joined us at Lenape Heights on September 16th as nationally-known speaker Jack Schultz shared insights from his book, *Boomtown, USA - The 7 1/2 Keys to Big Success in Small Towns*. In an effort to fulfill our mission of “improving the quality of life of the citizens of Armstrong County,” the ACCF is committed to providing opportunities for all of us to meet and learn together about economic and community development. As a neutral table, we will provide opportunities for connections, and hopefully collaborations and partnerships to address common issues.

**Many thanks to our sponsors: Snyder Associated Companies, Klingensmith’s Drugstores, Klingensmith’s HealthCare, and Lenape Heights!**
