INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Armstrong County Community Foundation

I have audited the accompanying statement of financial position of the Armstrong County Community Foundation as of December 31, 2006, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

As described in Note A, these financial statements were prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Armstrong County Community Foundation as of December 31, 2006, and the changes in its net assets and cash flows for the year then ended, on the basis of accounting described in Note A.
